Description

This is a truly exceptional holiday home nestling in rolling countryside in the shadow of the ancient ring fort from which it derives its name. Extending to over 3,500 sq ft, Aileach View has 6 bedrooms and can accommodate up to 12 people. There are many appealing features inside the house, an obvious one being the six metre long communal kitchen and the two main living rooms with their vaulted ceilings enhancing the overall spaciousness. The house also features a geo-thermal heating system and has extensive wood decking to the front. Aileach View occupies a 0.75 acre landscaped site and has a large lawn for the kids to enjoy.
