Description

The cottage lies about 3km from Malin, not far from the source of the Ballyboe River, which has its mouth at Malin, where the unique ten arched bridge crosses into the town. (see bottom picture.)

There are two upstairs and two downstairs bedrooms with sleeping capacity for a total of nine adults. The kitchen is fully fitted with all the usual modern appliances for easy food preparation.

The lounge has a unique, rustic, traditional, stone built fireplace, a TV and DVD, and there are lovely views from the window. Outside there is a deck area with patio furniture, a clothes line and ample parking. The cottage is well positioned as a touring base from which to explore the northern parts of Inishowen and beyond.
