Description

A beautiful modern - yet homely - holiday home located in a quiet development right in the heart of Downings village in North West Donegal. There is an abundance of tourist facilities literally on your doorstep including hotels, restaurants, shops, pubs, beaches, charter boats, leisure centre and golf links. The countryside around the Downings is renowned for sandy beaches, mountain passes, scenic views and historical landmarks. This holiday home provides a great base for walking, angling, scenic drives, water sports and golf.
