Description

Located on an elevated site overlooking the upper reaches of Sheephaven Bay, Cullen Cottages has 15 acres of private land for you to enjoy. The front lawn slopes down towards the shoreline and the views over the Bay towards the highlands of Donegal are simply magnificent. This holiday home was created very much with abundant space in mind, with large main living areas, covered patio and picture windows taking in panoramic views of the surrounding countryside, Ards Forest Park and Muckish Mountain. Nearby, the Lackagh river, famed for its salmon, flows under a much photographed bridge into Sheephaven Bay. Come and see why many of our visitors return year after year.
