Description

Newly decorated cottage two miles from the picturesque fishing village of Killybegs. An ideal base for touring the beautiful county of Donegal and the majestic cliffs of Sliabh League. Perfect for the fishing, cultural and hiking tourist alike. Or perhaps just to relax! The cottage has been tastefully refurbished and provides comfortable self catering accommodation for small family or group.

Killybegs is a picturesque Fishing Village on the North West Coast of Ireland-on the edge of Europe, where the majestic Atlantic Sea meets the spectacular mountains and rolling hills of Donegal.

For generations the people of Killybegs have made their living from the sea, and this was never as true as it is today. Killybegs is the fishing capital of Ireland, and is one of the most progressive fishing ports in the world.
