Description

Fairway Cottage is both a golfer's and a beach lover's dream. Located on the spectacular Rosapenna golf courses, it is a cosy but spacious and well equipped architect-designed holiday home. It will appeal equally to golfers and to those who enjoy beach walks, mountain scenery and the rugged grandeur that Ireland's north west region has to offer.

You'll find the cottage at Rosapenna on the Rosguill peninsula in North Donegal, between the picturesque village of Carrigart and the fishing village of Downings. Carrigart is the home of a horse-riding facility while Downings is the base for wonderful golf and also an extensive range of watersports and deep sea fishing activities.
