Description

A newly renovated 3 bedroom cottage located on the banks of Lough Foyle, close to the fishing port of Greencastle and the seaside village of Moville. This is an ideal base for your family holiday in Donegal; - and with the two new ferry services in operation at Greencastle and Buncrana, a whole range of top attractions, including the Giants Causeway, are within easy reach by car.

The cottage is located one mile outside the historic town of Moville on a farm, which is a haven for wildlife; where deer, pheasant, badger, hare and buzzard are often sighted.
