Description

This delightful and spacious holiday home has been designed to ensure a relaxing and comfortable holiday experience. The cottage is set in a tranquil rural location outside the village of Carrigart and - to create a true "getaway" holiday experience - the owners have deliberately not installed the ubiquitous tv.

The emphasis in this luxurious holiday home is very much on space and comfort. Every room is large and luxuriously appointed. With the single and deliberate exception of a TV the home has all the mod cons you need to ensure maximum convenience for your self-catering holiday experience.
