## Description

Luí Na Gréine is from the Irish for sunset; appropriately, the rear of the home faces west, affording spectacular coastal and sunset views, depending on the weather and time of day. A large newly built holiday home with 5 bedrooms to sleep up to 11. Would be suitable for large families, or a group. Situated off the R257 just north of Derrybeg. Lovely coastal views, with Gola island just offshore. Lui na Greine Cottage makes an ideal base for your family holiday in this beautiful part of the west of Ireland.
