Description

This tastefully furnished 2 bedroom holiday home is located on an elevated site and enjoys panoramic views of the surrounding countryside and beyond to Trawbreaga Bay and the hills of north Inishowen. The cottage's location makes it ideal as a touring base for Inishowen as the areas golf courses, visitor attractions and fabulous sandy beaches are within easy driving distance.

The cottage provides the perfect 'hideaway' for getting away from it all and exploring the beautiful Inishowen Peninsula. You can use the new car ferry services at Greencastle and Buncrana to travel either eastwards along the north coast of Ireland or westwards to the rugged beauty of west Donegal. A 30 min. drive takes you to the Historic City of Derry with its unique, intact walls and meandering riverfront walks.
