## Description

Pier Cottage is a beautiful holiday home that can accommodate up to 8 people in both style and comfort. Its elevated position above the charming village of Portsalon provides it with truly breathtaking views - from the front rooms of the cottage the panoramic view takes in Ballymastoker Bay, Lough Swilly, the hills of Knockalla and Inishowen and Portsalon's fabulous golf course and blue flag beach.

From the front door of the cottage it takes less than 5 minutes walk to reach the wonderful blue flag beach. Another 5 minutes walk bring you to the entrance to the golf links.
