Description

Portsalon House was previously a large luxury bed and breakfast with a superb location adjacent to Portsalon's fabulous golf course and wonderful blue flag beach. It has recently been converted into two comfortable and spacious holiday homes.

Each house can accommodate up to 10 people in both comfort and style. They share a large landscaped back garden that is bordered by a tree lined stream. This is an excellent location for barbeques and a safe playground for children.

Facilities

Holiday House No 1
