Description

This luxury holiday cottage is beautifully situated in a small private 'estate' concealed from the road, and facing east with views over Lough Foyle. It lies less than 3km north east of Greencastle, and is about 1km from Dunagree Point and the Lighthouse which marks the most easterly point on the Inishowen Peninsula.

There are views across Lough Foyle, and the Martello Tower at Magilligan Point on the other side, is clearly visible, allowing one to watch the ferry boat performing its daily crossings between Greencastle and the point.
