## Description

This luxury holiday cottage is situated on the outskirts of the popular seaside resort of Rathmullan in North West Donegal. 100 meters from the front door of the cottage - along a tree lined road - is the entrance to Kinnegar Strand - a beautiful sandy beach that never gets too crowded - an ideal playground for children.

The cottage itself has all the facilities required to ensure an enjoyable self catering holiday experience. An especially attractive feature is the existence of two distinct living areas. The first is a large conservatory that contains a 3 piece furniture suite and a dining area. The second is a spacious first floor living room with a vaulted pine ceiling and wood burner stove. Both living areas have flat screen tv's and separate sky freeview satellite boxes. In addition the cottage has a large elevated wood decking area that overlooks the tree lined rear garden.
