## Description

This is a superb newly built property nestled into the countryside setting of Carrigart. The property has been designed to make maximum use of the communal spaces with a large through living / dining room with double bi-fold doors opening up the kitchen space. It also boasts an impressive entertainment room complete with all "mod" cons associated with a home bar area! It is ideal for larger family groups or even two separate families saving even more on the already great value prices.
